

A Timeless Tradition of Love and Remembrance

In 1994, the Millinocket Regional Hospital Auxiliary began a cherished tradition: The Love Light Tree. This heartwarming display was a special way to remember, honor, and show appreciation for loved ones during the holiday season.

Today, the Legacy Medical Foundation proudly carries on this tradition with Lights of Love.

Inspired by the original Love Light Tree, Lights of Love invites you to celebrate the special people in your life and honor the memory of those no longer with us.

Your heartfelt tribute keeps your loved ones close during the holidays and contributes to the future of healthcare in the Katahdin Region.

**Your gift brightens our community
during the holidays.**

Let's light up the season together!
